

WEST AFRICAN AGRICULTURAL DEVELOPMENT AGENCY (WAADA)

Grant Award Terms & Conditions — Excerpt

Document ID: WAADA-GT-2026-WAITA-007

Award Reference: WAADA/2026/WAITA-EACRI/Y2/007

Issue Date: 2026-09-15

Effective Date: 2026-11-01

Total Award: ₦127,450,000

This document is an extract from the full WAADA Grant Award Terms & Conditions package issued to the WAITA-EACRI consortium under Award WAADA/2026/WAITA-EACRI/Y2/007. Sections included below are the load-bearing operational and disclosure clauses applicable to the Year-2 period of performance. The full package — including all Annexes, Schedule C (Data Protection Annex), and signed counterparts — is held on file at the WAADA Secretariat and at the NNU Office of Sponsored Programmes.

Counterparties: West African Agricultural Development Agency (WAADA, Programme Officer: Adaeze Nwosu), National Nigerian University (NNU, Co-PI: Dr. Layla McBride), East African Crop Research Institute (EACRI, Co-PI: Dr. Amina Bello).

§1 Award Amount & Disbursement Schedule

§1.1 Total Award.

The total award under this instrument is ₦127,450,000 (One Hundred Twenty-Seven Million Four Hundred Fifty Thousand Naira), payable to the National Nigerian University Office of Sponsored Programmes for onward administration in accordance with the consortium agreement filed under WAADA reference WAADA/2026/CONS-AGR/WAITA-EACRI/Y2.

§1.2 Disbursement Schedule.

Disbursement is staged across the Period of Performance as follows: Tranche 1 (40%) on Effective Date; Tranche 2 (30%) on acceptance of Q2-2027 progress report; Tranche 3 (20%) on acceptance of milestone M-Y2-04 evidence package; Tranche 4 (10%) on acceptance of final programme report. Each tranche is contingent on satisfactory reporting compliance under §4.

§2 Period of Performance

The Period of Performance commences on 2026-11-01 and ends on 2028-10-31. No-cost extensions of up to six (6) months may be granted in writing by the WAADA Programme Director on Grantee request received no later than 90 days before scheduled end-of-period.

§3 Deliverables & Milestones

Year-2 deliverables build on the Year-1 baseline (Award WAADA/2026/WAITA-EACRI/Y1/004). The principal Year-2 milestone is M-Y2-04 — Cross-site cultivar evaluation, scheduled for Q3 2027. Quarterly progress is tracked against the milestone register maintained in the consortium Confluence space (WAITA-EACRI / Year-2 Roadmap) and is reviewed by WAADA at the end of each reporting quarter.

Failure to evidence material progress against the M-Y2-04 milestone by the end of Q3 2027 may, at the WAADA Programme Director's discretion, trigger a corrective action plan under §13.2 prior to any consideration of remedies under §13.3.

§4 Reporting Obligations

§4.1 Quarterly Progress Reports. Grantee shall submit a Quarterly Progress Report to the WAADA Secretariat no later than fifteen (15) calendar days after the close of each reporting quarter. The report shall comprise: (i) field-trial agronomic snapshot, (ii) laboratory analytics summary, (iii) household-panel rotation update, (iv) cooperative dissemination tracker, and (v) financial burn-rate against the budget categories in the awarded line-item budget.

§4.2 Annual Report. An Annual Report integrating all four quarterly submissions, plus an audited financial reconciliation, shall be submitted no later than sixty (60) calendar days after the close of the Programme Year.

§4.3 Final Report. A Final Report covering the full Period of Performance shall be submitted no later than ninety (90) calendar days after Period end. The Final Report shall include all primary datasets released under §8 (Intellectual Property).

§5 Personnel & Effort Commitment

§5.1 Co-PI effort is committed as specified in the awarded proposal and may not be reduced by more than ten (10) percentage points in any rolling six-month window without prior written authorisation from the WAADA Programme Director.

§5.2 Personnel substitutions at the Co-PI or Senior Researcher level require WAADA written approval. Substitutions at field-officer or research-assistant level may be made by the Grantee without prior approval but shall be notified to WAADA within thirty (30) days.

§6 Financial Management

§6.1 Funds shall be administered through a dedicated project ledger at the NNU Office of Sponsored Programmes. Mixing of WAADA funds with other institutional funds is prohibited.

§6.2 Inter-category transfers in excess of ten percent (10%) of any single budget category require prior written WAADA approval. Transfers between Direct Costs and Indirect Costs are not permitted.

§6.3 Equipment acquisitions in excess of ₦2,500,000 per item require WAADA prior written approval under §12.

§7 Data Disclosure & Confidentiality

§7.1 Definitions.

For the purposes of this section: 'interim findings' means any research output that has not been released through the formal WAADA annual reporting cycle or peer-reviewed publication; 'household-level survey data' means any record originating from the Nsukka household-panel survey or any successor instrument administered under this Award; 'formal review cycle' means the WAADA Programme Officer review process documented in §4.

§7.2 General Confidentiality Obligation.

Grantee, its employees, agents, and subcontractors shall treat all non-public programme information, including but not limited to interim results, draft manuscripts, internal milestone trackers, and personnel records, as confidential until released through a formal channel described in §7.5.

§7.3 Internal Review Privilege.

Notwithstanding §7.2, Grantee may circulate interim findings within the named consortium membership (NNU, EACRI) and to the WAADA Programme Officer of record (Adaeze Nwosu) strictly for the purpose of programme management. Such internal circulation does not constitute disclosure under §7.4.

§7.4 Restriction on Third-Party Disclosure.

Grantee shall not disclose interim or unpublished research findings to any third party, including WAADA staff outside the formal review cycle, without prior written authorization from the WAADA Programme Director. Disclosure of household-level survey data is further prohibited under the WAADA Data Protection Annex (Schedule C), regardless of internal-review context. Violation constitutes Material Breach under §13.1 and may trigger Award Suspension under §13.3.

§7.5 Authorised Disclosure Channels.

Authorised disclosure channels are: (i) the WAADA annual report; (ii) peer-reviewed publication following WAADA-PO sign-off under §8.3; (iii) Creative Commons BY-NC dataset release to the WAITA Federation knowledge base in accordance with §8.2; and (iv) cooperative-level dissemination events approved by the WAITA Federation Member Services Group. Disclosure outside these channels requires prior written authorisation from the WAADA Programme Director.

§8 Intellectual Property

§8.1 Ownership of any IP arising under this Award vests jointly in NNU and EACRI in proportion to the Co-PI effort commitments specified in the awarded proposal.

§8.2 Primary datasets generated under this Award shall be released under a Creative Commons BY-NC 4.0 licence to the WAITA Federation knowledge base no later than ninety (90) days after Final Report submission, subject to any embargo granted by the WAADA Programme Director under §8.3.

§8.3 Publication-Related Embargo. Grantee may request a publication embargo of up to twelve (12) months on a per-manuscript basis. Embargo requests shall be submitted in writing to the WAADA Programme Director and shall include the target journal, submission timeline, and a justification statement.

§9 Subcontracting & Pass-Through

Any subcontract or pass-through arrangement in excess of ₦5,000,000 in aggregate value during the Period of Performance requires WAADA prior written approval and shall be structured to preserve the Grantee's obligations under this Agreement, including the disclosure restrictions in §7.

§10 Indemnification

Each Party shall indemnify the other against losses arising from its own negligence or wilful misconduct. Indemnification under this section is capped at the total Award amount.

§11 Conflicts of Interest

Grantee shall maintain a documented Conflicts-of-Interest register for all named Senior Personnel and shall update the register upon any material change. The register shall be available for WAADA review on request.

§12 Equipment & Capital Items

§12.1 Title to equipment purchased under this Award vests in the Grantee for the duration of the Period of Performance, subject to §12.3.

§12.2 Equipment acquisitions in excess of ₦2,500,000 per item require WAADA prior written approval. The Grantee shall maintain an equipment register identifying each capital item, its acquisition cost, location, and custodian.

§12.3 Upon Period end (or upon termination under §13), equipment disposition shall follow the WAADA Asset Disposal Schedule (Appendix B of the full Terms package).

§13 Material Breach & Termination

§13.1 Material Breach.

A Material Breach includes, without limitation: (a) violation of the disclosure restriction in §7.4; (b) misappropriation of Award funds; (c) failure to evidence material progress against a scheduled milestone without an approved corrective action plan; (d) any violation of the WAADA Data Protection Annex (Schedule C).

§13.2 Corrective Action.

Upon identification of a potential Material Breach, the WAADA Programme Director shall issue a Notice of Concern. Grantee shall submit a corrective action plan within thirty (30) days.

§13.3 Award Suspension & Termination.

If corrective action is not submitted, or is judged inadequate by the Programme Director, WAADA may (i) suspend disbursement under §1.2, (ii) require return of unspent funds, or (iii) terminate this Agreement upon thirty (30) days written notice.

Appendix A — Schedule C: Data Protection Annex (Excerpt)

Schedule C governs the handling of personal data and household-level survey data generated under this Award. The full Schedule C is appended to the master Terms package; the following clauses are the operational extracts relevant to §7 of this excerpt.

C.1 Scope.

Schedule C applies to all data identifying or relating to an individual household, individual respondent, or named cooperative member that is collected, generated, or held by the Grantee in connection with this Award.

C.2 Prohibited Disclosures.

Household-level survey data shall not be disclosed to any party outside the named consortium membership or the WAADA Programme Officer of record, regardless of any informal information-sharing context, including internal-review or peer-to-peer discussion channels.

C.3 Storage & Retention.

All household-level survey data shall be stored on consortium-managed infrastructure subject to access controls. Retention beyond the Period of Performance plus seven (7) years requires WAADA written approval under §8.
