Vessel Inspection Report

Inspection Date: February 19, 2026

Location: Rockland Marine Yard, Rockland, Maine

VESSEL INFORMATION

Vessel Name: EILEEN C

Owner: A. Croft

Vessel Type: Commercial Lobster Vessel

INSPECTION PURPOSE

Pre-Season Mechanical Inspection

KEY FINDINGS

- Hull inspected and found serviceable.
- Steering response normal during dock testing.
- Safety equipment inventory verified.
- Cooling system components inspected following off-season maintenance.

ENGINE ASSESSMENT

Raw-water impeller recently replaced. Engine reached operating temperature normally during inspection. Continue monitoring during spring fishing operations.

OVERALL ASSESSMENT

Vessel considered ready for seasonal preparation activities. No major deficiencies identified during inspection.

Inspector: D. Mercer
