

Northern Remedy Co.

PRODUCT SPECIFICATION SHEET — BASELINE SPECIFICATIONS

Document Title: Autumn Collection Spec Sheet v1	Effective Date: April 12, 2026
Collection Identifier: Autumn 2026 Launch	Status / Version: Baseline Draft (v1)

This technical specification document defines master formulations, compound component breakdown, dosage guidelines, and standardized primary packaging boundaries for core components within the Northern Remedy Co. product pipeline.

1. Active Master Formulations & Ingredient Proportions

All ingredient ratios are calculated strictly by raw batch weight following extraction and stabilization processing windows.

PRODUCT LINE / SKU	INGREDIENT RATIOS & BOTANICAL MAKEUP	RECOMMENDED DOSE
Elderberry Syrup	Organic Elderberries (<i>Sambucus nigra</i>) 40%, Raw Montana Honey 35%, Spring Water 20%, Fresh Ginger Root 3%, Ceylon Cinnamon 2%.	1 tsp daily for immune maintenance; 1 tsp every 3 hours during acute stress.
Fire Cider	Raw Apple Cider Vinegar base infused with: Horseradish Root 25%, Garlic 20%, Onion 20%, Ginger Root 15%, Habanero Pepper 10%, Turmeric 5%, Lemon peel 5%.	1 tbsp daily in warm water or raw apple cider.
Autumn Immune Blend Tincture	Extract ratio 1:5 in 50% organic cane alcohol. Organic Elderberry 35%, Echinacea purpurea root 30%, Astragalus membranaceus root 20%, Echinacea angustifolia root 15%.	2–3 droppers (2–3 mL) taken in water up to 3 times daily.
Harvest Tea Blend	Dried loose-leaf cuts: Organic Rosehips 35%, Elderflower 25%, Peppermint 20%, Yarrow 15%, Ginger root ginger pieces 5%.	1–2 tbsp steeped in 8 oz boiling water for 15 minutes.

2. Primary Casing & Packaging Matrix

Standard container requirements ensure chemical containment stability and protection against light-induced degradation across environmental variables.

PRODUCT GROUP	NET WEIGHT / VOLUME	PRIMARY CONTAINER SPEC	CLOSURE / LINER CONFIGURATION
Liquid Extractions (Tinctures)	2 fl oz (approx. 59 mL)	amber glass 2 oz screw-cap	Phenolic ribbed cap with integrated glass pipette and rubber bulb dropper assembly
Liquid Syrups	2 fl oz (approx. 59 mL)	amber glass 2 oz screw-cap	Standard phenolic continuous thread ribbed liner cap closure
Dried Plant Material	4 oz net weight	Kraft compostable stand-up pouch	Re-sealable airtight physical plastic strip-zipper seal
