PRODUCT SPECIFICATION SHEET — REVISED FORMULATION MATRIX

Document Title: Autumn_Collection_Spec_Sheet_v2_REVISED	Revision Date: June 1, 2026 (09:30 AM Sync)
Collection Identifier: Autumn 2026 Launch	Status / Version: Approved Revised Master (v2)

CRITICAL REVISION NOTICE: This technical document outlines authorized design alterations and explicitly **supersedes v1** in its entirety. Active inventory allocations must verify compliance with the revised container volume metrics and extraction fluid ratios defined herein.

1. Active Master Formulations & Ingredient Proportions (Amended)

Specific adjustment vectors applied to the tincture core profile to improve compound concentration density across shelf runs.

PRODUCT LINE / SKU	INGREDIENT RATIOS & BOTANICAL MAKEUP	RECOMMENDED DOSE
Elderberry Syrup	Organic Elderberries (<i>Sambucus nigra</i>) 40%, Raw Montana Honey 35%, Spring Water 20%, Fresh Ginger Root 3%, Ceylon Cinnamon 2%.	1 tsp daily for immune maintenance; 1 tsp every 3 hours during acute stress.
