

Autumn 2026 Collection Verification Summary

Final Review Loop: June 9, 2026 | Pipeline Stage: T12 Sign-Off

This summary sheet aggregates final confirmation compliance metrics across all platforms and databases supporting Northern Remedy Co.'s active launch.

1. Platform Alignment Audits

- **Distribution Platforms:** Cross-platform confirmation completed. Core metrics across Airtable, WooCommerce, and Etsy staging profiles line up perfectly with the quantities specified in our authoritative *Autumn_Collection_Procurement_Forecast.pdf*.
- **Logistics Timelines:** Raw material arrival dates on the supplier tracking matrix fully correspond with calendar schedules and master planning frameworks.
- **Inventory Registries:** Real-time validation confirms that internal Notion procedure logs and Airtable material balances accurately mirror all landed and staged components in our physical drying sheds.
