

Internal H&S; Audit Report - July 2026

Inspecting body: Bates Brewing Company internal H&S audit
Inspector: Patrick Doyle, ASP (contracted)
Date: 14 Jul 2026 | **Hours on site:** 4.5

This is the internal pre-OSHA audit. North Carolina is a Federal-OSHA state. Bates Brewing has not had a Federal-OSHA compliance inspection since 2021.

Findings

#	Area	Finding	Severity	Status
1	Brewhouse floor	Drain cover loose at FV-4 base	Low	Tightened on site
2	Cold storage	Missing CO2 monitor calibration sticker	Low	Calibrated 18 Jul
3	Tap room	Fire extinguisher service tag expired (by 2 mo)	Medium	Serviced 22 Jul
4	Receiving dock	Pallet jack hydraulic seal weeping	Low	Service scheduled
5	PPE station	Cut-resistant gloves low stock (2 pair)	Low	Reorder placed
6	Forklift	Operator log gap 12-18 Jun	Medium	Log reconstructed
7	Eyewash station	Tested OK, due 30-day check	Info	Logged

No serious or willful violations. All medium findings closed within 14 days. Recommend next internal audit Q1 2027.
