

Parking Lot Repaving - Vendor Quotes

Project: Repave and restripe brewery / tap room parking lot
Address: 142 Mill Stream Road, Asheville NC 28801
Area: approx. 8,400 sq ft | **Spaces:** 22 (2 ADA)

Bids received

Vendor	Lead time	Method	Total bid
French Broad Paving Co.	5 days	Mill + 2" overlay	\$18,950
Carolina Asphalt LLC	4 days	Mill + 2.5" overlay	\$21,400
Mountain Pavers Inc.	7 days	Full reclaim + 3"	\$26,800

All three bids include sealcoat, striping, two ADA-compliant spaces, and 1-year crack warranty. Recommend French Broad Paving Co. — used them in 2022 for the grain pad apron with no issues and the bid is materially cheaper.

Suggested window: 2-7 Apr 2027 (off-season, low tap-room traffic). Tap room would need to close for 3 days. Deposit at job start is 30% (\$5,685).
